### From Lisa's Desk...

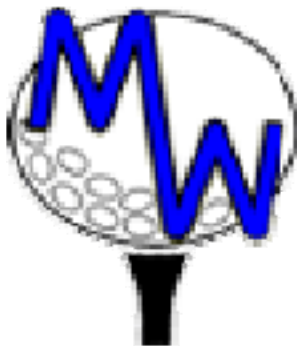

Dear Meals-on-Wheels Volunteers,

I just wanted to take this opportunity to tell you how excited I am to be apart of this wonderful organization, and to be able to work with each of you. It is wonderful to see how dedicated each of you are to the individuals you serve. I have already met many of you, but I am the new Volunteer Coordinator for Ellis County. My husband and I moved to Waxahachie 3 years ago to raise our son, and we love the small town atmosphere. I look forward to seeing each of you around town. My door is always open and do not hesitate to call or drop in with any questions or concerns you might have. Thank you for taking time out of your day to help others in the community!
